

## Adhesives for LCD panels

Our sales partners, [Dymax Corp](#), have released a new application bulletin about our range of UV adhesives for laminating applications in LCD screens, monitors, outdoor kiosks and navigation systems. This range sticks glass to glass, glass to plastic, and plastic to plastic – with clear, bubble-free bonds. There is a range of products detailed, both for laminating and LCD sealing.

*LCD being plugged with Dymax 9-20673*

You can download [Application Bulletin here](#) (388Kb pdf file).
