

# Supporting children's cancer charity

We are really pleased to give some support to **Dragon 500**. Between the 23rd and 26th of June 2011 a team of 15 are undertaking a 500km charity bike ride to raise money for **CLIC Sargent**.

Every day 10 families are told their child has cancer. As the UK's leading children's cancer charity, [CLIC Sargent](#) is the only organisation to offer them all round care and support. That's because they're there every step of the way.

The Dragon 500 team consists of 15 riders of all abilities who enjoy a challenge. The charity ride will start in the village of Epwell Nr. Banbury venturing west towards South Wales through Breacon National Park, with the returning last leg of the ride stopping off at The Children's John Radcliffe Hospital in Oxford before finishing the ride back in Banbury.

This has special resonance for Donna and her colleagues at [SOS Recruitment](#), who are a valued local supplier of services to us. Best wishes for the journey about to start!
