

INTERTRONICS scoops DYMAX top distributor award

We are delighted to have confirmed our position as **the leading European [DYMAX](#) distributor by winning the Top Sales 2011 Award**, presented in Wiesbaden this week.

Key contributors to the award – based on overall sales revenues for [DYMAX UV/light curable adhesives, coatings](#) and [sealants](#) and [UV light curing equipment](#) – are our expertise in distribution, an extensive customer base, outstanding technical expertise and high levels of customer service.

INTERTRONICS Sales Manager Kevin Cook (centre) is seen proudly receiving the award from DYMAX Europe Managing Director Dr Detlef Heindl and Market Segment Manager Nadine Bläsing.
