

# Our temporary mask is a cover star

Our recent marketing activities for [Dymax 9-20479-B UV Cured Temporary Masking Agent](#) have resulted in this picture being used as the cover shot for the online magazine [Electronics Industry Update](#). I might add that this publication (from long-time friend Donal McDonald) is now produced in a pretty impressive [iPad app version](#) as well. Our product is on page 32 of [the current issue](#).
