Updated website design for INTERTRONICS

When your website has more than 700 pages of product information, where do you start refreshing it? We decided to begin with what you see first, to help you find what you need. So take a look at www.intertronics.co.uk now and you'll see a newly designed front-end with clear product groupings. Over the next few months, we'll be migrating the new design deeper into the site. Watch this space…
