We are proud to have received a **Recognition Award for Outstanding Sales Performance** from Thinky Corporation.

The award recognizes that we have been contributing significantly to the European market expansion for Thinky since 2007.

[THINKY Mixers](#) are industrial non-contact “planetary” mixers for all engineering compounds. They mix, disperse and degas your materials in seconds to minutes, in a sealed or lid-less container such as a jar, beaker, syringe tube or cartridge.
