

# Come Fly With Me

Kevin Cook, our Technical Manager, recently celebrated his 10th anniversary at Intertronics. Having started in our sales team, and progressed to Internal Sales Manager, and now Technical Manager, Kevin has accumulated an almost encyclopaedic knowledge of our products and our customers, and is a real asset to the team. To mark his 10th anniversary and in recognition of his love for aeroplanes, we sent him off to road test, er, sky test a Tiger Moth.

“Having always been fascinated with aviation, a flight in a vintage aircraft has been on my bucket list for some time. It was a fantastic experience and I am very grateful to everyone at Intertronics for the opportunity and for honouring my 10 years service with something so thoughtful,” said Kevin.

Thank you for your service, Kevin, and we hope to celebrate many more anniversaries together.
