

adhere academy: shelf life of adhesives

Description

We wrote about **shelf life** in this *adhere academy* blog post

[pot life v shelf life v working life – part 1.](#)

Our partners at Dymax have written a blog post entitled [5 Questions to Help You Understand Shelf Life](#) with answers to these questions:

- How is the shelf life of a product determined?
- Where do I find the shelf life of a product?
- What happens to a material beyond its shelf life?
- Can storing conditions affect shelf-life?
- Can the material be used beyond the expiration date?
