

Sustainability - little steps

We have changed our packing tape to a paper-based version. We used to use plastic. We finally found something that's paper-based and effective in protecting and packing your goods for shipment. We already use 100% recycled cardboard boxes and biodegradable infill.

Sustainability - little steps

It's a small thing, in the big scheme of things. But it adds up.

"We must not, in trying to think about how we can make a big difference, ignore the small daily differences we can make which, over time, add up to big differences that we often cannot foresee." –

Marian Wright Edelman
