

Award for Excellence 'delivered' to worthy colleagues

Big congratulations to [James Heydon](#), [Liam Rogerson](#), [Joel Johnson](#) and [Grant Roche](#) for picking up the **Intertronics Award for Excellence** at our recent bi-annual company meeting. Recognised for improving our packing and fulfilment process, the team made great strides in changing how we package, ship, and deliver your equipment and materials to your factory the very next day. Part of this was reducing waste and so improving our sustainability credentials.
