

Supporting our local foodbank this Christmas

With almost 90% of foodbanks operating nationwide experiencing [increased demand last Christmas](#) amid the cost-of-living crisis, the Intertronics team spurred into action with our annual collection.

Throughout the month of December, we encouraged staff and visitors to donate food, toiletries, festive treats, and other vital supplies. Our very own Jimmy meticulously organized, packaged, and delivered the collected items to [The North Oxfordshire Food Bank's](#). Established in 2010, this food bank serves individuals in the Kidlington, Woodstock, Chipping Norton, and Charlbury areas.

A team member from the food bank expressed gratitude, stating:

"It was good to see you again on Friday with your car full of boxes of items for the Foodbank. Thank you so much for your support. Our Foodbank continues to be busy supporting people and families with food parcels. At this time of year we add an extra Christmas parcel, and it makes such a difference to those that we help."

For those interested in supporting their local food bank, information can be found at [The Trussell Trust](#) or [Independent Food Aid Network](#) websites.
