Air Compressors

Description

Bambi air compressors offer a "silent" running, low cost system for producing compressed air for industrial applications. We recommend Bambi air compressors to customers who are using pneumatic equipment such as **time/pressure dispensing controllers** or pneumatic dispensing valves , as a simple and expedient option for supply of compressed air to these devices.

Bambi air compressors are fully self-contained and produce very low noise levels during operation.

Features & Benefits

- Ultra quiet in operation – sound levels from just 40 dB(A) and almost no vibration
- No exposed moving parts
- Filter and air regulator fitted as standard

Specifications

Air Compressors

Model	Output (Litres/min)	Output (6 bar)	Max (bar/psi)	Motor (HP/CV)	Air Receiver (L)	dB(A)/1m	Weight (kg)	Dimension (HxWxL cm)
