

E-Line Flux Remover & Maintenance Cleaner

Description

Also available to buy online at [!\[\]\(666e09182d4cd268646ea700ea60dcdf_img.jpg\)](https://www.mouser.com/techspray) **SHOP** 

E-Line is a **hydrocarbon based flux remover** formulated to be powerful, yet very economical. It eliminates brushing and scrubbing, saving time and materials. Micro-components and fine pitch leads are delicate and easily damaged, so brushing and scrubbing should be avoided if possible. Techspray aerosol solvents have a powerful spray and strong solvent that blasts off residues and cleans areas under components that a brush cannot touch.

Techspray's flux remover and cleaner solvents have excellent cleaning ability and are non ozone depleting, rapidly evaporating, safe on most plastics, and low odour.

Features & Benefits

- Powerful cleaner
- Eliminates brushing and scrubbing
- Ideal for sensitive plastics
- Non-ozone depleting
- Safe on electronics
- Rapid evaporation

E-Line Flux Remover & Maintenance Cleaner

- Zero residue
- Proven effective for lead-free processes
