

Manual Dispensing Syringes

Description

Also available to buy online at  **SHOP** 

Our manual dispensing syringes have luer lock fittings which accept our [complete range of dispensing needles and tips](#). They have calibrations on the barrel, and each syringe consists of a polypropylene barrel, NBR stopper and polythene plunger.

IDM MS Manual Dispensing Syringes are available in 5ml, 10ml and 20ml sizes.

Fisnar Manual Dispensing Syringes are available in 3ml, 5ml, 10ml, 30ml and 60ml sizes.

Features & Benefits

- Take a wide range of dispensing needles and tips
- Luer lock fittings mean that dispensing needles and tips are firmly located and will not fall off during dispensing
